

GENERAL ORDER ACKNOWLEDG- MENT GUIDELINES

KraussMaffei
Pioneering Plastics

- Please quote the purchase order number issued by KraussMaffei Extrusion GmbH (41xxxxxxx or 42xxxxxxx) as well as the respective order item number and article number for the individual order acknowledgment line items on all acknowledgments of order and in other correspondence.
- Please do not issue acknowledgments of order for several purchase orders at a time, i.e. each acknowledgment of order must refer to a single purchase order number only.
- Make sure that the printing quality is clean and clear (laser printer).
- Please avoid using colored or gray backgrounds in areas of your acknowledgement of order containing relevant data (reference number and date of order, purchase order number and order item, prices and quantities).

Acknowledgments of order submitted by e-mail

- The quoted e-mail address must be used for acknowledgments of order only (not for invoices or reminders).
- Only send one PDF file per order (please embed attachments such as performance records into the PDF).
- PDF files can only be processed when the following Document Properties options are selected on the Security tab under Document Restrictions Summary:
 1. Content Copying → Allowed
 2. Content Copying for Accessibility → Allowed
 3. Page Extraction → Allowed
- In addition, the document must be created in PDF/A standard. Any features going beyond PDF/A standard will cause display problems during processing on our systems.
- This also refers to other functionalities, e.g. embedded forms, signatures and Word files.

Please send your acknowledgment of order to the following address:

KraussMaffei Extrusion GmbH
